

FENIX DX™

FENIX DX™ is a cellular support and 'detox' supplement, with a powerful blend of vitamins and botanicals to help your body to defend and support cellular health and energy, helping you feel great.

Provides antioxidants that help protect cells against the oxidative damage caused by free radicals from stress, poor diet, pollution.

Helps to support the body's ability to metabolize nutrients.

Helps to support immune function.

BEST TIMES TO DRINK YOUR FENIX DX™

DURING THE DAY

Your cells need protection every day, especially during the day when you battle stress, pollution and eating on the go.

POST-WORKOUT

Give back to your body the vitality it uses during a tough workout and enhance the cleansing process that physical activities provide.

BEFORE BEDTIME

If you're following a healthy diet and exercising during the day, don't let your healthy habits die at the end of the day. Give a boost to your body detox process while you sleep.

POTENT, CELLULAR CLEANSE

ACAI EXTRACTS, BILBERRY AND BLUEBERRY

These powerful superfruits are a source of antioxidants to help defend your body against the damage caused by free radicals.

BURDOCK

Traditionally used in herbal health to help support the body and help remove accumulated waste products via the kidneys, skin and mucous membranes.

CHAMOMILE

Traditionally used to calm and soothe the digestive tract, and help support rest and sleep.

VITAMINS B6 & B12

Supports the body's natural energy levels to help keep you active all day. B Vitamins also support healthy blood cells, and nerve function.

LICORICE

An adaptogen herb to help support energy and help the body fight the effects of stress.

ALOE VERA

Traditionally used to soothe the body and the digestive tract.

GANODERMA lucidum

It is the only cellular detox drink amongst its competitors to contain Ganoderma lucidum, organically grown and packed full with antioxidants to help fight free radicals.
